Hi all:

Attached is the distribution list we used for last year's Maintenance Matching Fund grant notification.

When you have time please take a look at it with two goals in mind:

1. If you are aware of any changes to information for existing contacts please make those updates;
2. Please add any new contacts that you have made who might be interested in the grant under the appropriate neighborhood.

My plan is to release the grant application package when I return from vacation on July 11. Please have your updates made by that time.

Thanks & please let me know if you have questions.

Rebecca
